

GAAE Conference Registration Guide October 5th – 8th 2022 University of Energy & Natural Resources, Sunyani Ghana

1. Conference Participation

Please register for conference participation here:

https://docs.google.com/forms/d/e/1FAIpQLSdZbA5HkV2SCYBFIkRZZghY9_IIPJuZi2DL3CjXXWv4eAQA/viewform?vc=0&c=0&w=1&flr=0

The registration fees for the different categories of participants are as follows:

Participant Category	Conference registration fee
Ghanaian (senior members / non-students)	GH C250
Students resident in Ghana	GH C 50
International participants	\$ 50

2. Accommodation

The venue for the 2 -day 5th GAAE 2022 conference will be Sheila's lodge which is about 1km away from Sunyani. Sheila's lodge is close to many other accommodation facilities so participants will have many options to choose from. However, the organizers have secured a discounted accommodation package at the venue at the rate of GHC 200 (\$25) per night for registered participants. The organizers of the conference have also secured another facility to accommodate students. This facility accommodates students in a shared facility at a cost of GHC100.00 (\$13.00) for three (3) nights and GHC 70.00 (\$9.00) for two nights. Please follow this link and register for accommodation before 1st October 2022. Rooms are limited and will be allocated on a first come first serve basis. To register, please follow this link

3. Educational trip

The education trip will be a visit to Yedent Agro Group of Companies located in Sunyani and Ghana Nut based in Techiman. Yedent Agro Group of companies is a wholly Ghanaian-owned company that produced healthy and affordable cereals food for Ghana, Africa, and beyond. Modern technology offers a wide range of food research for institutions and cooperatives. Further, it collaborates with the Ghana Health Services (GHS) to produce cereal products for schools, hospitals, and other sister companies.

Ghana Nuts Limited is one of the leading Agro-processors in Ghana. The company manufactures and exports a huge range of edible oils, in the shea and soya value chains as well as animal feed meals. It is the premier commodity trader in soya, groundnuts, cashew, shea nuts, and sesame seeds and exports over 30,000 tons of these commodities per annum to Europe, the UK, India, and Japan.
